

# Maximise your Primary Sport Premium funding through Athletics

**The sport of athletics – in particular the fundamental movements of Running, Jumping and Throwing – are recognised as key foundation skills for developing a child’s physical literacy and the skills which underpin most sports.**

## **National Curriculum and Sport Premium Funding**

The new National Curriculum, which came into force in September 2014, identified that Key Stage 1 and 2 pupils should be taught Running, Jumping and Throwing as some of the core skills for this age group.

The Primary PE and Sport Premium funding has provided Primary Schools with a great opportunity to improve the provision of physical education (PE) and sport in their school and help deliver the new National Curriculum.

## **Supporting Schools and Teachers**

England Athletics is highly committed to supporting Schools and Teachers deliver high quality Running, Jumping and Throwing and maximise their PE and Sport Premium Funding.

Over the past 12 months Athletics has significantly updated its Primary Schools Teaching resource and course to ensure that it meets the needs of the new National Curriculum.

## **A Choice of Support Packages**

On the other side of this leaflet are some suggested packages outlining how schools may like to utilise the PE and Sport Premium funding to upskill their teacher workforce around the key foundation skills of Running, Jumping and Throwing and provide high quality teaching and sport provision for Key Stage 1 and 2 pupils.

# Suggested Schools Packages

## Package One

### Teacher Support Package

Schools can organise a **RUN, JUMP, THROW – Teaching Primary Schools Athletics** course. This course will give teachers and others working in schools the knowledge, skills and confidence necessary to deliver enjoyable and engaging lessons that focus on encouraging maximum participation and increasing understanding, skill acquisition, fitness and enjoyment of children.

**Package Cost:** £750 for a 1 Day Course for up to 24 Candidates (Includes an extensive teaching resource for each delegate).

**For further information please visit:**  
[www.Englandathletics.org/teachingathletics](http://www.Englandathletics.org/teachingathletics)

## Package Two

### Teacher Support and Sports Equipment Package

In addition to **Package One** (Teacher Support) schools can also look to purchase an England Athletics **Sports Equipment Bag** provided by Eveque, a sports equipment provider. These bags can provide schools with the child friendly equipment required to deliver high quality fun PE and Sports lessons.

**Package Cost:** £1,000-£1,200 (as Package 1 plus an additional £250 - £450 for the Sports Equipment Bag).

**For further information on the equipment bag please visit:**  
[www.eveque.co.uk/athletics.html](http://www.eveque.co.uk/athletics.html)

## Package Three

### Teacher Support, Sports Equipment and Athletics Coach Package

We would suggest using qualified local athletics coaches to help provide mentoring and CPD support. Coaches can provide guidance and support to teachers in how to effectively deliver Running, Jumping and Throwing activities. For more information please contact your local athletics clubs to source an appropriate qualified coach.

**Package Cost:** As Package 2, plus an additional £1,000 (approximately) to cover coaching for 1 day a week over a 6 - 12 week period).

**For further information please visit:**
